MEN'S RIDERS LITTLE 500 HALL OF FAME

The Little 500 Riders Hall of Fame is the most prestigious award given to a Little 500 rider. Each new inductee must be a graduating senior with at least three years of race experience. As the plaque reads, other criteria are as follows:

Given to senior Little 500 riders outstanding in both ability and attitude; those who excel on the track and exemplify excellence in the Little 500; those who represent the Spirit of the Little 500 and a desire to help others.

A combination committee made up of Riders Council, Steering Committee, and IUSF staff nominates potential Hall of Fame inductees. A committee of current Hall of Fame members then meets after the race to decide who should be inducted. Their decisions must then be ratified by 50% of that year's Little 500 teams.
